A Virtual Scavenger Hunt July 6 – August 30

Let’s support the community by working together!

**Quest for Connections engages local businesses, nonprofits, families and individuals in a 8 week Virtual Scavenger Hunt.** You can join anytime and participate for as many weeks as you want.

Each Monday, we’ll release a series of fun tasks; some of which will encourage you to engage with and/or support local businesses or nonprofits in your community. You’ll complete tasks by uploading a photo, video or answering a trivia question on the GooseChase Scavenger Hunt app.

Earn the most points and get recognition as our “Winner of the Week!” and take home a special prize!

**Play all summer for just $25!**

**Ask your friends and family to support your Quest!** Set up your own fundraising page and add a personal story about what NILP means to you and why you support the disability community.

**Sponsor the Quest** and we’ll add you to our task list each week. Or, **donate a gift card** and we’ll add a task asking participants to buy something from your business. Your sponsorship or gift card donation could bring you double or triple the return in revenue as the Quest drives new customers to your business!

**Can’t afford a sponsorship right now?** No problem! You can become a sponsor by recruiting 5-15 people to sign up for the Quest.

Sponsors have the option to create their own tasks, or let us come up with something creative for you. For example, are you a food pantry that needs donations? We can add that as a task and ask participants to show a photo of their donation.

**For more information or questions, contact Sheila Hegarty**, Special Events Coordinator, at shegarty@nilp.org or (978) 687-4288 ext. 162. [www.nilp.org/quest](http://www.nilp.org/quest)
